## About Nextiva

Nextiva powers over a million users and billions of interactions annually with its customer experience platform. From one AI-powered customer experience hub, Nextiva Unified-CXM transforms how businesses engage with their customers with orchestrated customer journeys that help businesses acquire, retain, and grow customers. The company's commitment to Amazing Service® and a customer-focused approach has been the cornerstone of its success. Established in 2008 and headquartered in Scottsdale, Arizona, Nextiva secured \$200M from Goldman Sachs Asset Management in its inaugural funding round, valuing the company at \$2.7B.
